This Biga 330, from the first owner, combines traditional boat construction with modern technology and experience. The owner's cabin in the bow is bright and spacious. Two sleeping places and enough storage space can be found in the aft cabin. The salon is very comfortable through the use of mahogany. A spacious salon for up to six people and a pantry, which no wishes, is exceptional for a ship of this size. The wet cell is large and comfortably furnished. The hull of the BIGA 330 is build with high quality materials and largely hand-made. The large STAINLESS STEEL tanks for fresh water and diesel and the permanent establishment of the BIGA 330 are designed for longer trips. Sufficient storage space and living space are guaranteed in all BIGA yachts. This Biga is as good as new!!!!
