**NOW REDUCED IN PRICE** This robust spacious Bruijsvlet can be seen, because of her sturdy look she is a real Eyecatcher. It is fully equipped and therefore ideal for long-term and comfortable stay on the water with more people. With a low clearance of 2.25 m, she is truly ideal for cruises over rivers and canals. She has had her maintenance every year and in 2017 the underwater ship was fully treated. It is absolutely clear that the owner has always treated her with great care, every winter she is neatly placed in winter storage. In addition, she was well protected during summer in a boathouse.
