Beautiful spacious Spiegelkotter built by Jachtwerf de Combinatie BV in Dordrecht, no second so beautiful and perfectly maintained by its current owner. With its amazing sailing characteristics and all its comforts on board, every stay is a pleasure and gives you a real holiday feeling. Her appearance is tough, luxurious and also solid, a real EYE-CATCHER. With its double glazing, good insulation and Kabola HR heating system, it is also extremely suitable for staying out of season and even permanently. She offers space for at least 8 to 10 people and has storage space in abundance, she is fully equipped such as inverter, solar panels, washer / dryer, dishwasher, extra freezer, unlimited hot water through the Kabola HR heating system, etc. Too much to mention. This great Spiegelkotter is definitely worth a visit !!
