This Dehler 106 Optima (34) is known for its excellent sailing qualities. Thanks to the deep keel variant (1,85 m) and the comprehensive sail wardrobe this Dehler is a sporty sailor. There is renewed and improved a lot in recent years. In the next few years there are no high maintenance costs to be expected. The engine has been running only 250 hours after a revision. In the specifications you will find all the innovations. For questions or to make an appointment for a viewing, please contact: Paul Rimmelzwaan 0031 (0)6 57332267 p.rimmelzwaan@e-y-n.com
