This well-maintained Dufour is a wonderful entry-level model. Amazing space inside and easy to sail. The cockpit is equipped with a double steering wheel and double rudder to ensure perfect balance, even when heeled. She is equipped with a High Aspect jib for excellent sailing characteristics. The cleverly integrated self-tacking jib is for when things can be a bit quieter. This Dufour can be sailed by just one person. The large hull and deck windows allow a lot of natural light to enter, making your stay on board very pleasant. The first and only owner has rented out this boat when he was not using it himself.
