Comfort and friendly sailing behavior are typical features of the Etap 30i. The Etap 30i is known for the beautiful finish and the well thought-out technical execution. Safety comes first in the unsinkable concept of the Etap yard. Although a few things need to be replaced on this boat, it is in good condition and ready to go. The interior is made of a light wood and that makes stay on board very pleasant. The cockpit is spacious and accommodates 6 people.

With the use of the self turning jib, sailing is easy in all circumstances. For more information or to make an appointment for a viewing please contact: Paul Rimmelzwaan 0031 (0)6 57332267 p.rimmelzwaan@e-y-n.com
