This Formula 27 PC is a beautiful and well built American powercruiser. She comes with two Volvo 5.0L GXi engines with 270 hp each. The maximum speed is about 55Kn/100Km/h. The duoprops make the boat easy to handle. The interior is high class and will comfort you during your stay on board. She has a dinette and a bathroom and you'll find two double beds. The yacht comes from the first owner who used her for summer holidays only. The rest of the year she was nicely berthed in a dry boatstorage. Extra is the sunbed on the foredeck which covers the whole area.
