The Australian designer Tony Grainger is known for his expertise in the field of multi-hulls. The Grainger TR10 is designed by him for speed and strength. The Dutch multi-hull specialist Rhebergen has built this TR10. The current owner has renewed a lot. Now this Trimaran is in top condition. The seaworthy and fast TR10 can be used for both regatta sailing and recreational use. Thanks to the strong construction it is possible to fall dry. The sail wardrobe is young and complete. The Berth in the Netherlands is also for acquisition. For questions or to make an appointment for a viewing please contact: Paul Rimmelzwaan 0031(0)6 57332267 p.rimmelzwaan@e-y-n.com
