This Grand Soleil 46, designed by Alain Jezequel and constructed in the renowned yard of Cantiere del Pardo, is a true classic youngtimer. She has received numerous updates since she was build. The yacht offers very powerful sailing with impeccable sea manners and interior with luxury comfort. Its design and built (massive Hull, teak interior) is very similar to the Swan 46 of the mid eighties. The interior lay-out however is much better. She sleeps easily up to 7 (excl. saloon) in the large front owners cabin and the two rear cabins. She is equipped with a good level of cruising inventory: 2 genoas, 2 main sails, Genaker, 400W solar panels, Watt & Sea 300W water generator. Raymarine Electronics (Plotter, Radar, AIS, fishfinder, autopilot) are all new 2016-2019. 12mm Teak deck new 2018. 2 new head 2018s (one electric). In her current configuration she is easily handled by 2 or more crew. It really does need to be viewed to understand how gorgeous this boat actually is!
