She is a very attractive conversion from a Traditional Mussel Kotter, (fishing boat), to a large motor cruiser. She has maintained her good looks with a sympathetic superstructure added to the magnificent lines of the original hull.

With an air draft of 1.5 metres and a draft of 3.1 metres, this vessel is ideal for both coastal passages and cruising the great rivers and canals of Europe. The accommodation takes full advantage of the 4.4 metres beam, with lots of space in the Saloon / Galley and two sleeping cabins, also with standing headroom of 2.0 metres. She has been well maintained throughout and must be seen to be fully appreciated.
