The immense character of the Pershing 56' cannot help but inspire intense emotions that both thrill and fascinate.

In fact, in total keeping with Pershing's unique style, the painstaking design of the boat's internal and external layouts has resulted in remarkable interiors and an optimum use of space for a craft of this size. With three cabins, all with en-suite bathrooms, a fully equipped galley and carefully studied spaces guaranteeing the finest onboard living comfort, the Pershing 56' is now ready for new challenges. A result achieved by the innovatory solutions created by yacht designer Fulvio De Simoni together with the Pershing and Ferretti Group engineering teams. A glance at its design is all the distinctive character of the Pershing 56' needs to inspire intense, irresistible emotions simply at the thought of owning and sailing such a yacht at speeds of over 46 knots. With its soaring, aggressive outer profile and the soft cosiness of its interiors, the Pershing 56' offers a series of design solutions that ensure life onboard is perfect. Ample spaces and remarkable innovations both at a technical and a furnishing level combine to make this model the new young star of the Pershing Next Generation.
