This very tasteful and recently renovated Proficiat 9.75 is well maintained. The engine has been completely overhauled (with a 2 year warranty) and the paint system is completely new. The tent is of high quality and together with the lounge set offers a lot of comfort and cosiness on the back deck in all weather conditions. In the aft cabin, with plenty of storage space, you will find a large bed (2 x 1,40). In the front you'll find the cozy salon where it is also possible to create a double bed.
