This very well maintained Rijnlandvlet 14.50 is well built with high quality materials. The low draft and control both inside and outside make this ship ideal for traveling on rivers and canals in the Netherlands and abroad. By the double engines and the presence of a bow thruster is this yacht perfectly to manoeuvre. The different sitting possibilities and good heat supply is provide plenty of comfort for a long stay on board. You are very welcome on board for a comprehensive viewing.
