This Stringer 915 is very beautiful with an attractive interior. The first, and only owner, has always maintained the ship very well. Every winter this boat is stored in a heated hall. Due to the solid construction and plenty of storage space, this is a worthy successor to many types of Waarschip. The Stringer is more robust and offers more comfort. You are most welcome on board. Currently the Stringer can be viewed in a heated hall. For more information or to make an appointment for a viewing please contact: Paul Rimmelzwaan 0031 (0)6 57332267 p.rimmelzwaan@e-y-n.com
