This Sweden Yachts 34 is known for its good construction and excellent sailing properties. The basis of this boat is good but there is work to be expected. The equipment and the teak deck are due for replacement. A competitive sailor will soon be ready for new sails. Despite the future investments, this yacht is an excellent basis. The expected costs are already included in the asking price. For questions or to make an appointment for a viewing, please contact: Jacques van Seventer j.vanseventer@e-y-n.com +31 6-40948411
